comment : Good morning,
My name is Personal Info. I am the Personal Info. for Assiniboine Credit Union in Winnipeg Manitoba. The recent press release On February 14th, 2022 regarding the invocation of the Emergency Measures Act by the Prime Minister indicated that if a Financial Institution has reason to suspect that they have a relationship with anyone that may be connected to the illegal blockades, they are to contact the RCMP or CSIS. Can you please advise what email or reporting portal this is to be done through?
thank you for your time.
